X1 6. [] LIAISON Don Cogman, Administrative Assistant to Senator Dewey Bartlett (R., Okla.), called and would like an Agency official to participate in the Oklahoma City session with 300 high school and college students with Senator Bartlett and Senator Henry Bellmon (R., Okla.) on 13 February. He said if General Vernon Walters, DDCI, is able to attend they would like him to provide a 15 minute address during lunch and also to participate with the Senators for three hours in the afternoon to answer questions as the group is broken down into three sections of 100 each and each speaker will take a section.

X1 7. [] Saw Pat Holt, Chief of Staff, Senate Foreign Relations Committee, concerning Chairman Dick Clark's, Subcommittee on African Affairs, Senate Foreign Relations Committee, 8 January 1976 letter for the Director to appear before the Subcommittee to place on the public record the facts relating to Angola. Holt suggested that we pursue the problem directly with Chairman Clark. I informed Holt that I had made it clear to Bruce Van Voorst, of the Chairman's staff, our objections and of my intent to convince them to rescind their request.

X1 8. [] LIAISON Dropped by the office of Representative Larry McDonald (D., Ga.) to provide him an Agency seal and discuss his request for material on Soviet labor camps. Although Mr. McDonald was absent from the office, it was agreed with Fred Smith, Administrative Assistant, to at least cancel the briefing scheduled for tomorrow and Smith will be back in touch to reschedule it for Representatives McDonald and Larry Winn (R., Kans.). Smith recognized that because of the compartmented nature of the material he could not sit in on the briefing.

X1 9. [] BRIEFING Bruce Van Voorst, in the office of Senator Dick Clark (D., Iowa), called and requested a briefing for the Senator on Wednesday, 28 January at 2:30 p.m. on Angola. I said I would check and be back in touch.

X1 10. [] BRIEFING Called Connie Evans, Senate Government Operations Committee staff, and told her that []
X1 [] OSI, and [] OLC, would provide the briefing
for she, Paul Leventhal and David Hoffmeister, also of the Committee staff, on nuclear safeguards today at 2:00 p.m. in room 3308 Dirksen.
